SPRING BREAK

HOW YOU CAN HELP

Tens of thousands of college students head to the beaches of Florida for their Spring break vacation. You've probably heard stories about what goes on there, but it's enough to say that this is one of the most dangerous and self-destructive weeks of their lives. Cru students head to the same beaches with a very different purpose in mind. About 3,000 students spend their vacations learning how to share their faith at our "Big Break" conference and then putting that knowledge to practice right on the beach and even crashing parties at night. It is a wild adventure, surrounded in prayer, and last year over 400 people prayed to receive Christ!
